

JAI GURUDEV!

Words cannot describe what we are feeling when we think of our respected school administrator and guide SARADA teacher. We know that God has assigned her to shower the blessings with her invisible hands to be part of all the progress that school is to be achieved in its eternal journey .She was not only a guide but also a mother to us .Her compassion ,love and timely intervention made easy to come out of any situation that we faced and put ourselves in comfortable position .If any concern among the members of Sree Maharshi family, her Consoling words cannot be wiped out from our heart. Let me reminisce that on many occasions she provided me homemade meal which I enjoyed the flavour and savour of it, unfortunately we miss all the magnanimity of her. May God accept her soul into Peace!

One of the most anxiously awaited occasions in any school is its reopening day of the new academic year. Teachers and students will be busy to exhibit their academic talents which are visible in school premises to enlighten all. Unfortunately Covid-19 pandemic crisis has halted our aspiration.The pandemic has created the havoc in education system affecting billions all over the world. On other hand the crisis has stimulated innovation within the education sector.

We created an environment in support of education through online platform and tried our best to grant education to students without compromising the standard of learning through recorded videos and virtual class rooms. Onset of the pandemic we immediately talked with teachers about implementing distance learning modalities, guidance and training methodologies.The support given by our respected chairman Sri.VINAYGOPAL sir, parents and teachers during pandemic was amazing in the process of learning. A time bound meetings of Parents, staff and department conducted for smooth functioning of the academic year.

Teachers conducted activities through Virtual Platform on important days and also enhanced literary talents, speaking and writing skills for the students. We feel proud of our students who participated and showed their talents through Virtual

competitions and bagged prizes. CBSE has also conducted activities where students' participation was encouraging especially in Art integrated project. Onam celebrations conducted Virtually. Artist RAJEEV, Peringode and SINDHU teacher ,Kumaranellur had an interaction session with the students of lower section related on history and significance of harvest festival. Orientation session in Mathematics given to the higher classes by Dr.SAJI N.R who is working as HSST in Calicut Campus School. Dr.P.T RAMACHANDRAN former HOD of Mathematics, University of Calicut took classes based on Pythagoras theorem. Dr.SAJITH, HOD of psychology department in Ratnam College took class based on Positive attitude. Mr.PRASIDH PRASAD who is CEO and founder at Phoenix Career Mentors ,Cochin communicated with students on Career Motivation, Goal Mapping and Success Habits. Dr.ARUN B VARRIER, HOD paediatric Dept. Ashtamgam Ayurveda Chikitsalayam and Vidyapeedam conducted online sessions for primary students and parents on "Kuttikalile Padana Vaikalyangalum Anubandha Prasnangalum". Interactive session "Kusruthi Koottam" conducted for the classes of 1,2 and 3 by the doctors of AShtamgam.

Before concluding let me quote Maharishi Mahesh Yogi "Just think of any negativity that comes to you as a raindrop falling into the ocean of your bliss". It says about Optimism. So, let's hope that Covid-19 will disappear from this world and happiness radiates like the fragrance from a flower. I express my sincere gratitude to Management, Parents, Staff and students for their wholehearted cooperation and support that rendered during the pandemic.

Once again let me commemorate our SARADA teacher with a heavy heart, I pray for the eternal repose of one who was a mother of distinguished humanity.

VIJAYAKUMAR A
